PROFESSIONAL SUMMARY

- UI/UX Designer & Frontend Developer with over a year of experience crafting responsive, user-friendly, and visually engaging websites.
- Skilled at blending design thinking with clean, functional code to deliver digital experiences that are both intuitive and impactful.
- Skilled in HTML, CSS, JavaScript, Tailwind CSS, Bootstrap, and Figma with strong grounding in wireframing, usability, and prototyping.
- Expanding expertise in React.js and no-code tools (Framer & Wix Studio) for scalable, modern solutions.
- Delivered 5+ projects, improving performance and user engagement through responsive, accessible design.

WORK EXPERIENCE

Freelance Web Designer / Frontend Developer Remote

/ 2024 – Present /

- Designed and developed responsive websites, landing pages, and digital interfaces for startups and small businesses, ensuring scalability and user engagement.
- Translated Figma mockups into pixel-perfect, cross-browser compatible HTML/CSS/JS layouts, following mobile-first best practices.
- Collaborated with clients and developers to deliver projects on time, aligned with brand and business objectives.

PROJECTS

Storelyft.com - Ecommerce Website

- Built a modern e-commerce platform with user-friendly navigation and optimized product layouts. Enhanced site performance through clean code, SEO basics, and cross-browser testing.

Doctor's-Hub – Online Appointment System

- Designed and prototyped a healthcare appointment booking system with user-friendly scheduling flow. Focused on ease of navigation and responsive UI for patients and doctors.

OrbitDynamix - Portfolio Website

- Designed and developed a personal brand portfolio website showcasing UI/UX projects and web development skills. Implemented a responsive, mobile-first layout to ensure consistent user experience across devices.

Camcore – UI/UX & Prototype

- Created high-fidelity prototypes and user flows to demonstrate a scalable business website concept. Conducted wireframing and usability testing to refine user interactions and design consistency.
